Why Slice®?

- Slice patented safety blades are safer than traditional blades
- Slice blades last up to 11.2x longer than steel blades
- fewer blade changes means less downtime and fewer injuries
- Slice blades never rust, do not conduct electricity, are non-sparking, and are non-magnetic
- Slice blades are oil and lubricant free
- safer finger-friendly® edge cuts materials effectively
- blades do not require sharps box disposal and are 100 percent recyclable
