

OLFA 9MM SMALL SNAP CUTTER WITH WHEEL LOCK 300

The OLFA 9mm Small Snap Cutter is larger than other standard duty cutters, providing more leverage for tougher cutting projects. Features a positive slide lock, a ratchet wheel blade locking mechanism to hold blade in place and a stainless steel blade channel that holds a blade tight.

Blades made from high quality carbon tool steel are produced using OLFA's precise multi-step production process for unparalleled sharpness and superior edge retention.
