

CARTON CUTTER WITH PIN GUARD

A34

Code: A34

The A34 Carton Cutter features an automatic protection blade guard that engages the moment the blade loses contact with the cutting surface, reducing injuries in the workplace. Comfortable handle design and easy blade change helps prevent injury and hand and wrist fatigue.

A34 Carton Cutter with Pin Guard

- Spring loaded pin guard protects the blade edge
- Ergonomic handle design to prevent hand and wrist fatigue
- Easy to change blade, no tools required
- Suitable for left and right hand users

How it works:

1.Begin Cut

2. Spring loaded pin guard will auto retract and protects blade edge when you are cutting. This prevents blade loses contact with the cutting surface.
