

EMERGENCY HAMMER KIT **A56** SEAT BELT CUTTER & BUILT IN FLASH LIGHT

**A HAMMER
THAT COULD SAVE
YOUR LIFE!**

Code: A56

It's the stuff of nightmares - getting trapped in a car with jammed seat belts and inoperable windows. The A56 Emergency Hammer has three powerful features to save your life. It has a high quality toughened metal tip to easily shatters tempered glass fast and the recessed blade to quickly cut jammed seat belts. It also has a built in flash light, it becomes very handy when car lighting fails in an accident.

The A56 body is manufactured from super tough polypropylene and high quality recessed blade for superior durability. Also comes with black mounting bracket for quick access installation to a roof, dash, or console.
