# Auto Retract Safety Knife With Ceramic Blade

A77

Designed to last 11x longer than standard metal blades

## Product Details

Code: A77  
Barcode Number: 9312932188277

## Technical

MATERIAL	Plastic, ceramic
DIMENSIONS	L:155mm, W:12mm, H:30mm
WEIGHT	21 grams

## Packaging

SELL PACK QTY	Each
INNER QTY	24 units
INNER DIMENSIONS	L:23cm, W:20cm, H:12cm
INNER WEIGHT	1.0 kg
OUTER QTY	288 units
OUTER DIMENSIONS	L:49cm, W:42cm, H:38cm
OUTER WEIGHT	12.5 kg

The Diplomat A77 Auto Retract Safety Knife is designed with a ceramic blade that increases safety while lasting 11x longer than traditional metal blades, which enhances durability and sharpness. This ceramic blade is corrosion-resistant, rustproof, and non-conductive. The safety-focused design includes an automatic retraction feature to minimize injuries and protect items from damage.

## Features & Benefits

- Finger friendly ceramic blade
- Ceramic blade lasts 11x longer than standard metal blades
- Lightweight and durable construction
- Spring-loaded blade automatically retracts when slider is release
- Long slender durable design that is easy to grip and comfortable to use
- Reversible blade offering double blade life
- Suitable for left and right hand use
- Lanyard hole for easy access
- Ideal for various industries and applications

## Why Ceramic Blades?

**Safer than standard metal blades**

11x longer lasting

finger friendly

durable

rust proof

non-conductive

non-magnetic

non-sparking

safe up to 1600° C

no oil coating

## How it works

1. Push blade slider forward to extend blade

2. cut your desired application material

3. release blade slider for retraction after cutting

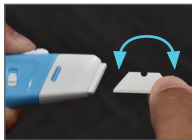

## How to Rotate Blade & Extend Lifespan

1. Move button to "Change" position

2. Press slider out to its maximum amount

3. Carefully take out ceramic blade and flip it

4. Carefully put blade into position and move button into "Work" to continue cutting
