BIG WIPES

PRODUCT PERFORMANCE

The **BIG WIPES™** Brand is firmly established internationally and out-performs other products in cleaning power, health & safety and convenience. No other cleaning wipes available to the Australian Professional trade can remove as many substances so effectively.

WHAT THE TESTS SAY

- **Compliance to the all new EU regulation (EC) No. 1223/2009 - Cosmetic Products**

Replaced the 1976 EU Cosmetics Directive (76/768/EEC) in July 2013, - this protects consumers and makes sure that all cosmetic products on the European market are safe. It requires cosmetics to cause no damage to human health when applied under normal or reasonably foreseeable conditions of use.

- **Dermatologically Tested**

Tested on real people with zero levels of irritation recorded.

- **Antibacterial Testing**

Big Wipes were found to have excellent antimicrobial activity and completely eliminated the tested strains.

- **Leptospira (Weil's Disease) Testing**

Big Wipes were tested as effectively preventing the incubation of *Leptospira* (Weils) interrogans strain RGA.
