

12" Scraper

4" (100mm) blade scraper

C17B

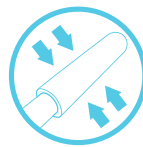

4" Replaceable blade scraper

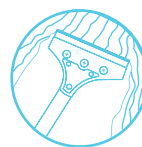

How to change blade

Loosen all 3 screws (A) and carefully reposition blade (B) so the razor edge is facing out. Tighten all the screws and it's ready to use.

12" inches comfortable rubber handle

heavy duty scraper

Heavy duty and versatile for dependable scraping!

Make your scraping tasks effortless with our 12" steel scraper handle with rubber grip. This scraper handle is made from high-quality steel and features a comfortable rubber grip, providing both durability and comfort for a wide range of scraping tasks. This robust scraper tool can handle a versatile range of scraping applications, making it easy to remove paint, adhesive, or other coatings from surfaces with ease. The comfortable rubber grip reduces hand fatigue and provides a secure grip, allowing you to work for longer periods of time without discomfort. Whether you're a professional tradesman or a DIY enthusiast, the Diplomat 12" steel scraper handle with rubber grip is the perfect tool for all your everyday scraping jobs. Accepts all 4" (100mm) scraper blades.
