

Vinyl Linoleum Knife

Curved Blade

C25

The Diplomat C25 Vinyl Linoleum Knife is a robust, contractor-grade tool designed to assist with your carpet installation projects. Its blade is crafted from hardened SK-5 High Carbon steel and coated with Black Oxide, offering excellent corrosion resistance. Using specialised grinding technology, the blade is engineered to prevent bending or breaking. With a thickness of 1.6mm, these sharp edges deliver exceptional strength and longevity. The soft rubber handle is made from non-toxic plastic, that also features a non-sticky, odorless, and slip-resistant design. Its lightweight design makes it easy to carry, and a convenient lanyard hole allows for simple storage. It's perfect for the installation and removal of flooring, vinyl, linoleum, and even cutting wallpaper.
