

**COUPON CUTTER**  
**COUPON**

Code: COUPON

The COUPON Cutter features a tiny blade which allows you to cut coupons and plastic packaging fast and easy without damaging the content or items underneath. The cutter only exposed 1.5mm blade, just enough too cut through one layer.

The COUPON Cutter is perfect for cutting recipes, coupons, pictures and news articles, envelopes, opening CDs, DVDs, plastic packaging, and more. It is small and compact, easily fit in most pockets or suitcase.

**COUPON** Cutter

- Easy to use, ergonomic design
- Will not cut through the pages underneath
- Limited blade expose, reduce the risk of having unnecessary injuries
- Great promotional item

**APPLICATION:**

✓ Coupons	✓ Pictures	✓ Envelopes
✓ News Articles	✓ Cd & DVD Packaging	✓ Papers

Only cuts through one layer
