

HERCULES 400R6E

The HexArmor® Hercules 400R6E doesn't back down from vicious cut and puncture hazards. These gloves are no stranger to dangerous applications such as handling razorwire or protecting from animal bites. HexArmor® heavy duty work gloves provide industrial puncture protection that stands up to the roughest applications while providing the dexterity and durability needed to get the job done.

the science of safety®

HexArmor 
ELITE® WITH SuperFabric.

The HexArmor Elite® Heavy Duty line of PPE was built for the most challenging and difficult applications. HexArmor® took Level 5 cut-resistant SuperFabric® and built it into a series of tough leather gloves, providing a combination of durability and safety that is unmatched in the safety industry.

FEATURES:

- SuperFabric® brand material provides ISEA Level 5 cut resistance and maintains the highest level of protection available in the industry
- Industrial puncture protection from wires, metal, wood, and glass
- Gauntlet design and pre-curved shape for maximum comfort and ultimate protection
- Specialized silicone gripping surface on palm
