

STELLEATHER® IX 5039

Full coverage heavy duty protection. The SteelLeather® IX 5039 introduces innovative industrial puncture protection into a product that stands up to the roughest applications while providing dexterity and durability to get the job done. HexArmor® products are engineered to provide the highest levels of protection in areas where risk is the greatest.

the science of safety.®

HEAVY DUTY

STELLEATHER® IX 5039

The HexArmor Elite® Heavy Duty line of PPE was built for the most challenging and difficult applications. HexArmor® took Level 5 cut-resistant SuperFabric® and built it into a series of tough leather gloves, providing a combination of durability and safety that is unmatched in the safety industry.

FEATURES:

- SuperFabric® brand material palm provides ISEA Level 5 cut resistance and maintains the highest level of protection available in the industry (interior layer)
- Industrial puncture protection on enhanced areas from wires, metal, wood, and glass
- Premium split cow leather that will outlast your typical leather driver's gloves
- Full coverage protection
