

LARGE 18MM METAL SNAP CUTTER  
WITH AUTO LOCK SLIDER **L-500GRP**

The L-500GP Metal Snap cutter features a heavy duty aluminum diecast anti-slip contoured grip for maximum comfort and control. This uniquely designed grip works especially well for those using this snap off blade knife with gloved hands.

Ratchet auto-lock slider will hold blade secure for extra safety and maximum cutting efficiency. This classic snap off utility knife has a high quality stainless steel sliding track which allows the blade to glide in and out smoothly. The blade used in this snap off knife is made of high quality carbon tool steel and produced through multiple stages of precise process to obtain the ultimate sharpness and optimum edge-retention.
