

# DUAL ACTION SAFETY KNIFE WITH PROTECTIVE GUARD SK6

**Smart**  
**PROTECTIVE GUARD**  
For maximum safety

Code: SK6

Made in Japan

## SK6 Dual Action Safety Knife

Revolutionary safety cutter that features the FlexGuard automatic protection system, that helps reduce accidents by allowing the user to keep their thumb on or off the blade slide during cutting while keeping the hands safe from cuts and lacerations.

- Spring blade retracting mechanism with auto guard
- After cutting, the guard completely covers the blade even while the thumb is kept on the blade slider
- Ergonomically designed handle with soft rubber grip
- Suitable for left and right hand users
- Easy to change blade, no tools required
- Come with sharpest and most long lasting blade on the market
- Made in Japan

### How it works:

1. Push forward blade slider to extend blade

2. Begin cutting while thumb is still on the blade slider

3. After cutting, the protective guard will completely covers the blade even while the thumb is kept on the blade slider
