slice™

Code: SLICE-CRAFT KNIFE

Boasting superior safety the Slice ceramic craft cutter is the ideal tool for all your arts and craft's activities. The ceramic blade lasts up to 10x longer than its steel competitors and features a unique rust proof surface.

The craft knife features a unique textured grip that prevents slipping whilst offering first class control. Enhanced stability provides maximum comfort when making some of the most intricate and complicated cuts. Ergonomically designed with a no roll feature, the craft cutter sits comfortably in the hand of all users. Fitted with round tip blades to prevent injuries the slice craft cutter will quickly exceed all your expectations.
