

Scraperite Tradesman Standard Scraper

SRT33GPO

3 curved blades + 3 straight blades

Scraperite general purpose plastic blades are specially designed to be used in situations where a metal scraper blade could harm the surface underneath.

safe for people & surfaces

non-corrosive & non-reactive

recyclable blade

3 + 3 + 1
curvey standard holder
COMBO PACK

Features

corner reach
Trimmed angle for easy corner access

plastic material
For responsible recycling (blade)

dual blade system
Holds both curved and rectangle blade

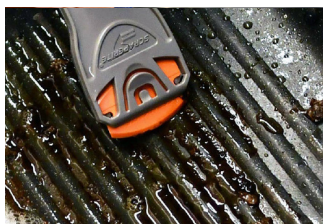

easy blade replacement
Patent pending blade release

strengthened
The pressed curved handle with thick extra ribbing provides increased leverage and torque at the blade edge

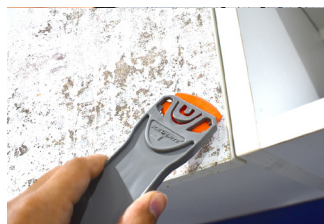

ergonomic handle
Shaped to fit the natural arch of the hand for added comfort

Plastic composite blade technology
More accuracy and efficiency than a metal blade but without the risk of corrosion, surface damage, or personal injury

Applications

Oil & grime residue removal

Paint removal

Hard to reach areas

Kitchen stain removal
