# 3M TAPE MEASURE WITH RUBBER GRIP **T316M**

Code: T316M

## **T316M** 3m Tape Measure With Rubber Grip

The 3m tape measure - T316M features non-slip rubber boot which covers almost the entire case providing excellent impact resistant from the inevitable drop. Nylon coated Including both metric and imperial measurements on a 16mm wide blade gives you superior durability, comfort and easy measuring. Large standard blade lock for accurate measurements allows for easy control around curves or corners.

- Rubber boot protects the tape
- 16mm blade width for strength and visibility
- Clear coat blade protection for durability and long lasting
- Positive blade lock for accurate measurements
- Magnetic tip for convenient work with steel
- Belt clip included
