

RED TURBO KNIFE

33-132

**MANUAL
RETRACTABLE**

Code: 33-132

Smooth anodized aluminum body with belt clip. The smooth slide operation blade extension or retraction makes this knife user friendly and easy to use. With the quick change blade mechanism, the user is allowed to switch out dull blades and quickly get back to their projects. This versatile utility knife is ideal for precision cutting of the most flexible to the most resistant materials (paper, cardboard, plastic, leather). Suited for use in the modern workplace, DIY or in the construction industry.
