

STELLEATHER™ IX 5039

HEAVY DUTY

The SteelLeather™ IX is a heavy duty solution for applications where high cut and puncture-resistance is needed for the entire hand. This glove was engineered to handle the roughest applications and keep users hands injury-free. HexArmor® products are engineered to provide users with the highest levels of protection in areas where risk is the greatest.

Experience the Science of Safety™ that has helped reduce injuries and lower PPE costs in the harshest work environments.

FEATURES:

- Made with SuperFabric® brand material for the highest cut-resistance available on the market—Exceeds ISEA/CE Level 5 (full protection coverage)
- Comfortable grain cow leather that will outlast your typical leather driver's gloves
- May be dry-cleaned for repeated use

PRODUCT USES:

- General work • Razorwire/barbed wire • Wires, metal, wood, glass
