**WARNING!** FOR SAFE USAGE READ INSTRUCTIONS BEFORE USING. USE CAUTION TO AVOID PERSONAL INJURY. ENSURE YOUR YULEYS FIT & ARE WORN PROPERLY FOR THE PROPER PURPOSES. THIS PRODUCT COULD CAUSE INJURIES RELATED TO SLIP & FALL ACCIDENTS. NEVER USE OR WEAR IF PRODUCT IS DAMAGED.

**YULEYS REUSABLE SHOE COVERS**

YULEYS reusable protective boot and shoe covers offer the smartest and most affordable choice on the market. Easy to use, hands-free, slip-on and slip-off safety footwear protectors YULEYS are uniquely designed to conveniently and quickly fit over safety footwear. They allow wearers to easily access clean environments without the need to remove their dirty footwear, protecting indoor flooring from outside dirt.

Users of YULEYS are free to walk naturally and comfortably feeling confident their customers are more likely to refer their professional customer service to others. An environmentally friendly and cost conscious alternative to those currently using disposable shoe covers for each site visit, YULEYS can easily be cleaned with warm water for years of use. Wearing Yuleys gives your company a more professional look and reputation and saves you money and hassles by preventing damage.

**WHY CHOOSE YULEYS?**

**Non slip grip for better traction on hardwood, tile, linoleum, and carpet**

**Completely hands free**

**Keeps indoor flooring clean**

**Works with all safety footwear**

**Reduces effects on landfill**

**Increase safety by preventing slips and falls**

**YULEYS REDUCE OPERATIONAL COSTS**

On average a box of waterproof disposable booties cost \$10 for 100 pairs.

If 1 worker enters a residence on average 7 times a day that would be \$.70 per day times 5 days a week is \$3.50 per week times 48 working weeks a year is **\$168/year per worker in disposable booties.**

**THE YULEYS SOLUTION**

- ✓ Improves customer satisfaction
- ✓ Encourages safety
- ✓ Decreases average delivery and installation time
- ✓ Reusable resource
- ✓ Impacts referrals & sales

32.7 cm	34.0 cm	Size 11
33.8 cm	35.2 cm	Size 12

Guidelines for selecting the right size YULEYS (What size should I buy?)

Measure the sole length of your safety footwear by putting the toe against a wall or straight surface and make note of where the heel ends. Measure this distance exactly with a ruler or measuring tape. If the length falls in a range between two YULEYS sizes, select the smaller size.

Proper YULEYS Size	Size 7	Size 8	Size 9	Size 10	Size 11	Size 12
