

# SPIKED ROLLER

**NEW!**

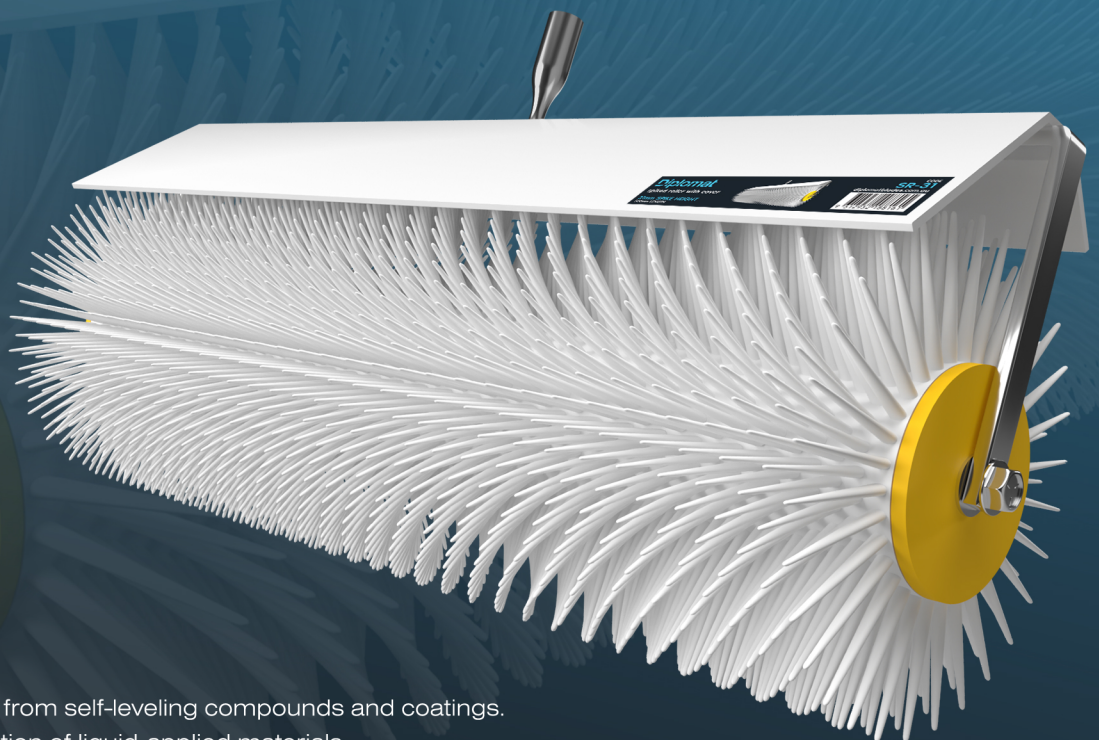

SPIKE HEIGHT  
**11mm**

ROLLER WIDTH: 500mm  
PRODUCT CODE: SR11

SPIKE HEIGHT  
**31mm**

ROLLER WIDTH: 500mm  
PRODUCT CODE: SR31

## FEATURES

- Removes air bubbles from self-leveling compounds and coatings.
- Ensures even distribution of liquid-applied materials.
- Smooths surfaces for a uniform and polished finish.
- Prevents cracks by evenly spreading applied materials.
- Reduces imperfections like pinholes in coatings.
- Enhances bonding between layers of flooring materials.
- Speeds up application and improves overall efficiency.
